

Allocation of niches

- **FEHD will inform the successful applicants of the date and time of completing the allocation formalities and paying the relevant fees by WhatsApp/ SMS/ Email or post according to their priorities.**
- The applicant can make use of the niche location enquiry system on FEHD website to enquire the location of the concerned niche. If the applicant decides to take up the designated niche, successful applicant who submitted online application and fulfilled certain criteria can use “Single Portal with Token for Online Services and Payment” to pay the prescribed fee online for completing the niche allocation formalities. Other applicants must produce the invitation letter and the originals of the required documents submitted during application and complete the niche allocation formalities and settle the payment at the Public Niche Allocation Office according to the scheduled date and time. If the applicant decides not to take up the niche, does not show up at the designated office as scheduled to complete the allocation formalities or settle the payment, the application will be considered to have been processed and the niche given up.
- The applicant can settle payment by “EPS”, “FPS”, cheque or cashier order and complete the transaction over the allocation counter. The applicant has to provide in the application form the personal particulars of the related persons to FEHD for contact on matters relating to extension/handling of ashes after expiry of the interment period. If there are any changes of nominated representatives or the contact details, the related persons should inform FEHD accordingly.
- After allocation of a niche, the initial interment period is 20 years and can be extended at 10-year intervals thereafter upon payment of the prevailing prescribed fee.
