

Allocation of niches

- All niches, irrespective of their level and orientation on a niche wall, will be allocated to successful applicants by drawing of lots and computer random balloting rather than self-chosen.
- FEHD will notify the successful applicants by SMS and email or post of their application number and the serial number of the designated niche allocated by drawing of lots and computer random balloting. Applicants can also check the results of their applications on the day after the drawing of lots and computer random balloting at FEHD website, Hong Kong or Kowloon Cemeteries and Crematoria Office, Public Niche Allocation Office and enquiry hotline 2841 9111 through interactive voice response system.
- FEHD will inform the successful applicants of the date and time of completing the allocation formalities and paying the relevant fees by letter according to their priorities.
- The applicant can make use of the niche location enquiry system on FEHD website to enquire the location of the concerned niche. If the applicant decides to take up the designated niche, he/she must produce the invitation letter and the originals of the required documents submitted during application and complete the niche allocation formalities and settle the payment at the Public Niche Allocation Office according to the scheduled date and time. If the applicant decides not to take up the niche, does not show up at the designated office as scheduled to complete the allocation formalities or settle the payment, the application will be considered to have been processed and the niche given up.

- The applicant can settle payment by “EPS”, cheque or cashier order and complete the transaction over the allocation counter. For cheque and cashier order payment, they must be made payable to “The Government of the Hong Kong Special Administrative Region” in the amount of HK\$2,490 for standard niche or HK\$3,090 for large niche; and the cheque must be crossed.

Interment period of extendable niches

- All niches in this allocation exercise are extendable niches. The applicant has to provide in the application form the personal particulars of the related persons to FEHD for contact on matters relating to extension/handling of ashes after expiry of the interment period. If there are any changes of nominated representatives or the contact details, the related persons should inform FEHD accordingly.
- After allocation of a niche, the initial interment period is 20 years and can be extended at 10-year intervals thereafter upon payment of the prevailing prescribed fee.
- On expiry of the 20-year/10-year interment period, as long as the related person(s) confirm(s) extension of the interment period and pay(s) the prevailing prescribed fee and complete(s) the procedural formalities, the use of the allocated niche can be continued.
