Explanatory Note:

- (1) A copy of ventilation system plan will be referred to FSD(VD) for ventilating system that embodies the use of ducting or trunk, which passes through any wall, floor or ceiling of the building in which the ventilating system is installed, from one compartment of such building to another.
- (2) For cases merit special consideration, referral of the application to the BD/ICU of HD/ Arch SD for special comment will be required.
- (3) Referral to Lands D for clearance will be required if there is grave doubt on the legality of land status or cases merit special comment.
- (4) All food business licence applications received on or after 18.4.2006 will be referred to Plan D for comment on compliance with statutory plan restrictions, except premises under the management of Housing Department, Government Property Agency, Leisure and Cultural Services Department and Agriculture, Fisheries and Conservation Department. If Plan D confirms that the proposed food business violates the statutory plan restrictions, the licence application will not be processed.
- (5) Referral of the layout plan to EPD for information will be required for food premises installed with chimneys.
- (6) Installation of food lifts in restaurants and other food premises having a rated load of not more than 250 kg, a lift car floor area of not more than 1 square metre and an internal height of not more than 1.2 m require to be referred to Labour D for information. Food lifts exceeding the aforesaid rated load and size require to be referred to EMSD for comment.
