

食肆抗疫措施

Anti-epidemic measures at food premises

Shopsign: _____

Address: _____

Licence number: _____

We are implementing the following anti-epidemic measures and your cooperation is much appreciated.

Entering the premises

Our restaurant

- Screening of body temperatures on customers
- Display of "LeaveHomeSafe" venue QR code at the entrance, and requiring customers to scan
- Registering contact information of customers who are not using the "LeaveHomeSafe" mobile app

Customers

- Please check your body temperatures. Those with body temperature over 37.5° C should seek medical attention
- Scanning the "LeaveHomeSafe" venue QR code or registering your contact information

In the premises

Our restaurant

- Not exceeding 50% of seating capacity
- Maintaining 1.5 metres or effective partition between tables
- Complying with the maximum number of persons seated at one table
- Provision of alcohol-based hand sanitisers
- Dedicated staff is arranged for clearing used utensils, cleaning and disinfecting used tables and partitions. Otherwise, staff is required to clean hands before switching to perform other duties
- Staff is taking COVID-19 tests regularly

Customers

- Wearing a mask at all times except during eating and drinking
- Please clean hands with alcohol-based hand sanitisers

**Together,
we fight the virus!
Thanks!**
