

定期檢查冷氣機 滴水違法 住戶有責

Letting Water Drip from Air-conditioners is an Offence
Check and Maintain Your Air-conditioners Regularly

請定期找專業技工檢查及維修家中的冷氣機或考慮在大廈外牆裝設中央去水管排走冷氣機凝結水，避免冷氣機滴水造成滋擾。

如發現居住的大廈有冷氣機滴水，可找管理處通知有關住戶盡早處理或致電1823。

Please appoint a professional technician for regular checks and maintenance of your air-conditioners or consider installing communal drainage pipes at external wall of building for disposing of condensate from air-conditioners to prevent nuisance caused by dripping air-conditioners.

If there are dripping air-conditioners at your building, please ask the management office to inform the residents concerned for speedy rectification or dial 1823.
