

# Private Columbaria Ordinance

## Effective on 30 June 2017

Anyone operating a private columbarium must obtain permission in the form of

- Licence; or
- Exemption; or
- Temporary suspension of liability

A private columbarium operator must have obtained a licence before it may conduct selling or new letting out of niches.

Consumers are advised to get information from the private columbaria operators about their compliance with the statutory requirements so as to protect the consumers' own interests.

For details of the Ordinance and grace period arrangements, please visit the website of Regulation of Private Columbaria ([www.rpc.gov.hk](http://www.rpc.gov.hk)) or send an email to [rpc@fehd.gov.hk](mailto:rpc@fehd.gov.hk) for enquiries.
